ORPHAN SUPPORT PROGRAM (OSP): TREE PLANTATION DRIVE 2023

ABOUT

Orphan children are the most innocent souls on earth, with tender feelings, pure hearts, and sensitive nature. Islam has greatly emphasized the importance of nurturing orphan children, who are all alone, striving hard to live a respectable life with full dignity and self-esteem. OSP is a unique approach to orphan care.

OSP takes the initiative of planting trees by the hand of shining stars to keep Pakistan green Prophet Muhammad (SAW) relates the importance of trees and plants in Islam. Allah's Messenger (ﷺ) said, There is none amongst the Muslims who plants a tree or sows seeds, and then a bird, or a person or an animal eats from it, but is regarded as a charitable gift for him."

Salient Features

Trees contribute to their environment over long periods by providing oxygen, improving air quality, climate amelioration, conserving water, preserving soil, and supporting wildlife. During the process of photosynthesis, trees take in carbon dioxide and produce the oxygen we breathe.

OBJECTIVES

● AWARENESS

To raise awareness about the importance of planting and saving trees among shining stars

● GREEN PAKISTAN

To planting their trees by the hand of shining stars to keep Pakistan Green

● GLOBAL WARMING

To create awareness among shining stars on the impact of global warming

● OBSERVATION SKILLS

To develop observation skills of shining stars as they watched interactions among plants

HHRD Model Street

HHRD Orphan Support Program (OSP) Karachi-1 (Manzoor Colony) cluster has implemented a new idea of plantation in the community. We had successfully inaugurated "HHRD Model Street" in Manzoor Colony street no.1, where we have some orphan family homes.

The OSP, in collaboration with orphan families and the local community, has transformed this street into a green oasis by planting 27 saplings, mobilizing volunteers, and beautifying the area.

Tree Plantation Drive 2023 at Karachi's Ancient Safari Park

in collaboration with the Huston Karachi Sister City Association (HKSCA)
